Sub: Special Summary Revision, cleansing of the electoral rolls –reg.
Ref: 1) ECI instructions on NERP 2016

As you are aware, the Special Summary Revision of electoral rolls has to be completed as directed by the Election Commission of India in a timely and efficient way. Along with implementing the detailed instructions from the Commission, the following three points may be given personal attention by all the DEOs.

- (1) Inclusion of eligible persons : Special drives should be conducted to include the excluded. Depending on the specific features of the population and the identified gaps, registration camps may be organized for women, tribals, youth, remotely located habitations, poor or marginalized people, ex-service personnel, etc.
- (2) Removal of repeated entries and correction of errors:
It must be taken as a challenge to delete all repeated entries and correct all identified errors from the electoral roll at the earliest.
- (3) Deletion of dead electors:
Based on the death registration certificates issued, or on the Revenue/Municipal records of mutation, death- related deletion should be completed during the roll-revision period.

Thanking you,
